

Join us on Zoom to Learn About Expanding Your Practice and Getting Valuable Appellate Experience

Hear from Administrative Presiding Justice Lui, Justice Mesiwala, and experienced appellate practitioners about the need for paid appointed counsel and adding it to your practice.

Every case includes the opportunity for oral argument, which can count as points toward an appellate specialization.

The appellate projects provide:

Free MCLE • Malpractice insurance • One-on-one mentorship
in criminal, juvenile delinquency, dependency, and civil
commitment cases
